Rain Dance

Pump some tunes out the window and dance in the rain!

Ensure safety! Stay inside for at least 30 min from the last time you hear thunder.

Slimy Animal Search

Take a walk and search for the animals that love the rain and damp

Frogs
Snails
Slugs

Or go on a rescue mission to save worms from puddles

Rainy Day Play

Enjoy a few
activities in the rain

Rainy Music

- Gather up objects from your kitchen
- Set them outside so they can be hit by the rain
- Listen to the sounds they make

Rain Gauge

- Get a tall water bottle or large mouth container
- If using a water bottle, cut the top off and unscrew the cap
- flip it over so it acts like a funnel for the bottle
- Measure and mark lines along the bottle and set out in the open
- Make sure it cant blow away

Rain Gauge

Expanded Learning:

- Take notes each day how much rain has fallen
- Make a graph
- Find the average rainfall for your area for the month or year
