

City of
GAHANNA
Economic Development Strategy
2015
EXECUTIVE SUMMARY

INTRO

The purpose of this strategy is to identify the community's economic potential to attract and retain high quality businesses and development in the City. This strategy outlines actionable goals and tactics that help to strengthen the economic vitality of Gahanna and is intended to serve as a guide for policymakers, community stakeholders, local businesses, and future investors.

Strategic Goals and Marketing Objectives

This Strategy will help guide and promote economic prosperity within the community through the following ways:

- Establish a refined vision for Priority Development Areas
- Identify new projects that could generate revenue and enhance the character and brand of the community
- Support future development through creative strategies and incentives
- Create a strategy grounded in the market conditions and industry trends.
- Create a Plan that has strategic private sector insight.
- Minimize financial risks and strengthen relationships with the private sector.
- Identify and promote future funding initiatives
- Identify capital improvements needed to support future economic growth

INSIGHT

Understanding the inner workings of the City through the eyes of internal and external businesses was an important factor in evaluating the economic conditions and opportunities as part of this project. This knowledge helped to develop a local and regional perspective regarding the economic potential of Gahanna.

DEVELOPMENT OPPORTUNITIES

Utilizing public input from numerous stakeholders and the project steering committee, the Plan identifies 5 Priority Development Areas and 41 target sites.

A Priority Development Area (PDA) is an area that has the ability to significantly contribute to elevating the character, image and commercial growth of Gahanna. In an effort to encourage capital investment, the Plan completes a significant amount of Due Diligence for many sites within the PDAs. In addition, the plan identifies infrastructure improvements that are needed to help secure that capital investment. A summary of the Due Diligence that is included for each PDA is shown below.

What is associated with each Priority Development Area?
