

“The instructors worked well together and were very informative. They made learning about herbs fun. I liked the hands on approach that kept the classes interesting and I was able to use what I learned right away.”

OHIO HERB EDUCATION CENTER

Since Gahanna was named the Herb Capital of Ohio in 1972, the Ohio Herb Education Center has carried out its mission of educating the public about the benefits and various uses of herbs. The herb center offers informative classes, workshops and products featuring the use of herbs for culinary, decorative, garden, medicinal and home applications.

GAHANNA HERB GROUP

*Earning a deeper
understanding of all
things herbal*

BENEFITS

- Small group professional instruction from the Ohio Herb Education Center Staff
- Portion of the fresh or dried herb to be studied for the month
- Off site learning opportunities
- Special occasion guest instructors
- 10% Discount on all shop items
- Complimentary class pass for general admission classes
- Hands-on herbal exploration
- In-depth informative handouts

MEMBERSHIP DETAILS

From September to May, students will

- Study an individual herb in-depth each month (nine in total)
- Learn the botany of each herb, which parts of the plant are most useful, and its wellness properties
- Learn culinary techniques that can be applied more broadly to your own cooking practice
- Investigate the rich history of each herb in folklore and traditional applications
- Learn sourcing of plants, growing techniques, how to incorporate herbs into your own yard and methods to plan a themed herb garden
- Learn techniques for foraging, collecting and harvesting
- Discover a myriad of techniques to process and preserve herbs
- Take home in-depth handouts for each session, which will cover references, resources, recipes and more.
