

DEPARTMENT OVERVIEW

The mission of the Department of Public Service & Engineering is to continually strive to improve service to residents through open, honest communication, top-notch infrastructure, building and equipment maintenance, and the refusal to allow the department to settle into complacency.

The work of the Department of Public Service & Engineering spans across numerous functions and is funded in a multitude of ways. Nine divisions comprise the department: Administrative, Engineering, Facilities Maintenance, Fleet, Sanitary, Storm Water, Streets, Utility Billing, and Water.
