# WELCOME FROM THE MAYOR

As winter settles in, I am delighted to welcome you another season of opportunities in our parks and recreation programs. The colder months bring a special charm to our community, encouraging us to enjoy the crisp air, the beauty of snowy landscapes, and the warmth that comes from gathering together.

Over the past year, we have invested significantly in our parks and recreation facilities to make them even more enjoyable for you and your families. From upgraded playgrounds and improved trails to new amenities that expand opportunities for enjoying the outdoors, these enhancements reflect our commitment to creating vibrant, accessible spaces for everyone.

This winter season, our parks and trails are also open for those who seek quiet moments in nature, offering a peaceful winter backdrop for hiking, biking, or simply admiring the season's beauty. For those who prefer more of a more structured adventure, our Parks and Rec team has crafted an exciting lineup of programs and activities that promise to keep you and your families active and engaged. From creative workshops to holiday events to outdoor adventures, there is something for every interest, every age, and every ability. Our goal is to ensure that everyone can find joy, connection, and a sense of belonging through these programs.

Thank you for your continued support and enthusiasm for our community programs. It is an honor to serve as your mayor and to help provide these opportunities for health, recreation, and connection through the year. I look forward to seeing you out enjoying all that our parks and recreation areas have to offer this season.

Warm regards,

Mayor Laurie Jadwin

The mission of the Department of Parks and Recreation is to provide parks, trails, and recreational opportunities to all people of Gahanna so they can be healthy and well while they explore and learn in the community. This program guide is representative of the action necessary to complete this mission. Thank you for taking the time to review the offerings the Parks and Recreation team have worked hard to provide.

The end of year brings a time of reflection and refocus. Some important and exciting work was accomplished in the year of 2024. Although impossible to name everything, some highlights include, the City received a grant award to fund an Active Transportation Plan as well as development of the Link to Literacy trail which as an east, west multi-use trail connecting the Creekside district to North Hamilton Rd traveling behind the Columbus Metropolitan Library, Gahanna branch. The recreation team continued to offer new programs for all ages and interests. A golf program, Sips and Tips, received a state award of excellence through the Ohio Parks and Recreation Association. Parks facilities received multiple improvements and upgrades from everything to restroom fixtures to new playground structures (Ambassador Commons & McCorkle Park). A new mountain bike trail at Academy Park will be open for use by the end of 2024. This new asset will benefit mountain bikes users as well as pedestrians.

The new year brings multiple opportunities to continue to bring the City of Gahanna parks, trails, and recreational opportunities. Thank you for the continued support and interests with the City of Gahanna Parks and Recreation Department. Get outside and explore.

Sincerely,

Stephania Ferrell, Director  
Gahanna Department of Parks & Recreation

### Introductory Brush Lettering

Kathy Lamacusa

Brush lettering, also known as Modern Calligraphy, is the most popular style of calligraphy today. It is created by using a flexible tip marker which naturally creates the letter shapes of the alphabet. In this introductory course you will learn the basic strokes that are used in the creation of all the letters of the upper and lower case alphabets. After reviewing all the basic strokes in class, you will begin to form the actual letters and some popular words often featured in calligraphy projects. You will not be able to complete an entire alphabet during the class, but will receive worksheets that allow you to continue letter creations and practice once you complete the class. This is a great opportunity to try out this popular art form to see if it interests you enough to continue with additional classes that will delve much deeper in learning and applying this exciting art form to your creative projects. The in-depth, multi-class session will be offered in the Spring session class offerings.
