## FURNITURE SPECIFICATIONS

City of Gahanna Municipal Complex  
Gahanna, OH

Dear Furniture Distributors,

We invite your company to submit a furniture proposal for the City of Gahanna Municipal Complex. Please see the attached Request for Proposal provided by MSA Design and the City of Gahanna for proposal requirements and due dates. Additional information, instructions, and requirements are listed below.

### I. PROJECT OVERVIEW

The Gahanna Municipal Complex is the new civic center for the city of Gahanna. The location of the building is in Gahanna at 825 Tech Center Drive. This is a 4 level (3 floors plus a basement) renovation and new construction project.

The facility features office suites, a breakroom, council chambers, a detention area, communication center, police locker rooms, an outdoor patio, and small soft seating areas. These areas are throughout the entire facility, and there will be elevator access for all floors.

The design features a transitional design aesthetic. As this is a high traffic facility, all seats will require a moisture back and all furniture will need to be easily cleaned. Additionally, all furniture must be comfortable and sturdy.

MSA Design is the Project Architect and is managing the FF&E. Elford is the Construction Manager for the project. Furniture space plans have been prepared by the Architect and coordinated with the CM and Engineers for power and data locations. The furniture distributor will need to confirm that all furniture requiring power and data have access accordingly.

The products specified in the attached documents are Basis of Design to determine quality and design intent. Alternate furniture products that meet a similar quality and design intent will be considered with the appropriate documentation. Furniture Distributorships will work with MSA Design and the Owner on all Fabric and finish selections.

Furniture for the project will be purchased by the City of Gahanna. The selected distributor will be contracted directly to the Owner and will provide final design and furniture selection, procurement, and installation of all items.

Installation for this project is tentatively scheduled to begin in October 2025. This is subject to some changes with the construction schedule.

The following scope of services shall be undertaken by each Distributor:

1. Review existing Architectural Documents to become familiar with the existing space.
  - Review the floor construction plan, furniture plan, electrical and data plans as prepared by MSA Design.
2. Review the specifications herein, as well as any and all additional documents or appendices.
3. Prepare furniture selection proposal, including any alternates, for owner review. Proposal shall conform with all requirements listed in the RFP and listed herein.
  - Coordinate with MSA Design and the Owner on all fabric and finish selections.
  - Prepare a furniture installation plan and schedule. To be fully coordinated with the CM and arrange coordinated deliveries of items.
  - Distributor is responsible for all debris removal from the site.
4. Inspect furniture installation for conformance with procurement documents and space plan.
5. Prepare a punch list for installations.
6. Oversee corrections to installation as requires to secure owner approval, and punch list damage to completed spaces.
7. Furniture must be recorded and completed by installer.

### **II. PROCUREMENT DOCUMENTS**

1. The Procurement Documents include Overall Floor Plans which indicate all furniture within the scope of this furniture proposal. All furniture is tagged with a Plan Code that correlates to the Furniture Specification Package. Each Plan Code designates a type of furnishing from which there are several options that may be proposed, these options are indicated in the Furniture Specification Package. Each bidder is to select only one option for each Plan Code to include on their Proposal Form. When filling out the Proposal Form the bidder shall indicate which option they are including by filling out the Type Mark on the form. Any additional options that a bidder may be able to provide are to be included as alternates on the Alternate Proposal Form. Only options listed for each type of furnishing are to be bid. No other format for floor plans will be provided through this process.
2. Systems Furniture is included in this proposal.
3. Bidders shall provide the following for a complete proposal: Proposal Form and Alternate Proposal Form
4. Requirement Documentation as well as any other information regarding their teams or offerings.
5. Bidders are responsible for complete review of the procurement documents and completion of requested information. Bidders requiring clarification of the procurement documents should submit all questions via email to mrosmarin@msaarch.com
6. Furniture Distributors shall provide a tabulation sheet showing each item selected, quantity, list price, net price, and installed value. Fees indicating the total project cost should be divided into final documentation and owner approval, procurement, installation, and close out. All project related fees must be indicated in this summary.
7. Cut sheets are to be provided for each item, including alternates.
8. When submitting an alternative: Identify a product that matches construction, warranty, function, and general looks of the specified product. Power and data quantities must be met or exceeded without exception.
9. Furniture Distributors shall submit warranties and sustainability documentation for each item specified and/or all substitutions. Substitutions may be rejected if they do not meet or exceed those specified herein.
10. Bidders are responsible for confirming that all workstations, offices and furniture specified are complete, and will be fully functional upon installation. Identify any items which are anticipated or required for a complete installation, but not shown in RFP and identify all concerns (eg: function, durability) within final Bid submission.
11. Bidders are responsible for cross referencing specifications with floor plans to provide accurate bids (eg: floor plans represent location of shared panels in workstations).

### **III. PREPARATION OF PROPOSALS**

1. All proposals must be complete for all items listed by each manufacturer as noted in the specifications and/or plans. Proposals will be submitted on a unit cost basis and total Project basis including all associated freight, storage, delivery, installation and any other labor, materials, services and equipment necessary to complete the work.
2. All proposals shall be based on specified items indicated in Furniture Specification Package. Furniture may not be substituted for alternates unless approval has been granted through process described in Section IV "QUESTIONS AND SUBSTITUTIONS".

### **IV. QUESTIONS AND SUBSTITUTIONS**

If a bidder discovers any ambiguity, conflict, discrepancy, omission, or other error in the RFP, the bidder should immediately provide the City with written notice of the problem via email to mrosmarin@msaarch.com and request that the RFP be clarified or modified. The City may modify the document prior to the date fixed for submission of proposals by issuing an addendum to all potential bidders. All addendum will be distributed via the City's website <https://www.gahanna.gov/264/Competitive-Procurement-Bids-RFPs-RFQs>

If prior to the date fixed for submissions, a bidder knows of or should have known of an error in the RFP but fails to notify the City of the error, the bidder shall bid at its own risk, and if awarded of the contract, shall not be entitled to additional compensation or time by reason of the error or its later correction. It is the responsibility of the bidder to check the website for addendums.

### V. EVALUATION PROCESS

An evaluation team will review, in detail, all proposals that are received to determine the most responsive proposal.

Following the initial review and screening of the written Proposals, using the selection criteria described below the City reserves the right to determine the suitability of proposals on the basis of a proposal's meeting administrative requirements, technical requirements, the review team's assessment of the quality and performance of equipment and services proposed, the review team's assessment of past experiences with Distributorships, DBE "Disadvantaged Business Enterprise" participation and/or ownership of Distributorship, and cost.

During the evaluation process, a bidder's representative may be required to answer questions with regard to the proposal and/or request revised pricing offers from such bidders or have discussions with those bidders falling within a competitive range, and make an award and/or conduct negotiations thereafter.

This Request for Proposal does not commit the City of Gahanna to awarding a Contract. Bidders shall bear all costs incurred in the preparation of the Proposal and participating in the Proposal evaluation process. The City reserves the right to reject any and all Proposals, to accept the Proposal it considers most favorable in its sole discretion, and to waive minor irregularities. The City further reserves the right to seek new Proposals when such procedure is considered by it to be the best interest of the City.

### VI. PROJECT MANAGEMENT AND PRE-INSTALLATION SERVICES

1. Provide comprehensive, single point of contact, project management to facilitate the ordering and installation of this furniture package.
2. Furnish design team with material samples for Owner and Architect approval.
3. Attend up to 10 Project Coordination meetings with Project Design team.

### VII. DESIGN PHASE

1. Prepare detailed furniture installation drawings for review and approval by the Owner and Architect
2. Prepare specifications on quotation form for review and approval by Owner and Architect
3. Prepare detailed components list for approval by the Owner and Architect
4. Place all furniture orders.
5. Confirm all COM fabrics are approved by furniture manufacturers and coordinate all COM fabric orders, installation, and/or substitutions. Any and all substitutions must be reviewed and approved by the Owner and the Architect.
6. Assist design team, as required, with the coordination of electrical point of connection locations for all systems furniture and ancillary furniture.
7. Distributor shall submit two sets of memo samples (preferably 6"x 6" or larger, no smaller than 2"x 4") for all final fabric and finish selections. Submit one set to Owner and one set to MSA Design.
8. Distributor must submit a revised space plan showing proposed furniture selections. Key items to a final space plan indicating data and power hook up when applicable.

### VII. STORAGE AND INSTALLATION

1. The Furniture Distributor shall use its own storage facilities. No storage of materials prior to the start of installation will be allowed at the project site, and no additional charges will be allowed due to additional storage needs.
2. The Furniture Distributor is responsible for scheduling, receiving, inspecting and installing all items. The Owner and Architect will neither receive, nor unload any shipments. Should any product arrive damaged or defective, the Furniture Distributor is responsible for all coordination and communication for receipt of all necessary replacements within the installation timeline. Should any replacement for damage product not arrive in time for the set installation date, the Furniture Distributor is responsible for all installation costs incurred. The Owner shall not be responsible for any additional costs due to delays in shipments, damaged or defective items arriving after set installation date or additional installation dates to correct items on punch list.
3. Provide on bid form, a separate line item for installation services. Include hourly rates identifying type of service.
4. Coordinate with the Construction Manager the preparation of a detailed schedule for installation of furniture.
5. Participation in on-site subcontractor meetings (up to 6 meetings)
6. Provide/appoint single source, on-site, point of contact for installation team.
7. Assume delivery, receipt, and installation of furniture on site. Staging location to be coordinated with Construction Manager.
8. If schedule requires, Furniture Distributor will hold products up to 30 days without charge to Owner.
9. The Furniture Distributor shall be responsible that no labor disputes occur. All damages due to such disputes shall be the sole responsibility of the Distributor. The Distributor shall coordinate his work with all other work at the project site.
10. Other work under separate contracts will be occurring at the project site. The Furniture Distributor shall cooperate with other separate Distributors and the Owner in order to facilitate the general progress of all the Work at this project site. The Furniture Distributor shall coordinate his work and the work of his Subcontractors with the work of all other separate Contractors.
11. Compliance with all regulations pertaining to safety and health is the sole responsibility of the Furniture Distributor.
12. The goods, including furniture, fixtures and equipment shall be identified to the Furniture Distributor, and the risk of loss shall be at all times the Furniture Distributor's until goods and/or equipment is installed at the Owner's facilities.

### **VII. STORAGE AND INSTALLATION**

13. The Owner shall have a reasonable time after receipt of the goods to inspect each delivery and notice of any defect or other claim as to quantity and quality of the goods shall be made in writing to the Furniture Distributor, if found not to be in conformity with contract requirements.
14. The Furniture Distributor shall install all items in a workmanlike manner and in compliance with the applicable law as regulations or other technical requirements required by local authorities.
15. The Furniture Distributor shall remove from the Owner's premises daily all cartons, crates, packing material and other refuse resulting from the delivery or installation of items under this scope of work.
16. The Furniture Distributor shall be responsible for repair of any damage to ceilings, walls, floors or other surfaces caused by the delivery or installation of items under this scope of work.
17. Upon Substantial Completion of the installation of the goods, the Furniture Distributor shall be responsible for documenting their Punch List items and providing said documentation in writing to the Owner and Project Architect.
18. The installation date will act as the date of Substantial Completion. Within 30 days after the date of Substantial Completion and before the date of Final Contract Completion the Furniture Distributor shall complete all items on the Owner and Project Architect's Punch List, the Furniture Distributor shall provide a written request for Final Inspection of the work to the Owner and Project Architect.

### **IX. POST OCCUPANCY PHASE**

Provide, on Alternate Proposal Form, as a separate line item, "Add Alternate" to provide continuing services contract to include furniture manufacturer's recommended general service, maintenance and repair as required. Provide cost as a 2-year contract and 4-year contract. Provide hourly rates to perform these services.

Provide record installation drawings using current AutoCAD or Revit software.

### **X. PRODUCT ACCEPTANCE AND PAYMENT**

After installation completion, all products will be inspected during a scheduled punch list walk-through with the Furniture Distributor, Architect/Interior Designer and Owner. Any damage incurred to the product prior to final inspection will be the responsibility of the Furniture Distributor. The damaged product shall be removed from the site at the Furniture Distributor's expense and a replacement shall be provided. All coordination of and communication for replacement of items shall be the responsibility of the Furniture Distributor. Any installation costs resulting from replacement of damaged items shall be the responsibility of the Furniture Distributor.

Invoices can only be submitted after receipt of the product onto the premises and the final punch list has been signed off by the Architect/Interior Designer and Owner.

Furniture Distributors must provide a written statement of follow-up service and punch list procedures.

### **XI. WARRANTY**

All materials and labor shall be warranted for a period of one year, unless otherwise specified, after final acceptance or for such longer period as manufacturer's standard warranty permits unless items are damaged through abuse or misuse.

The Furniture Distributor shall warrant that the furnishings will in all respects conform to the drawings and specifications and that the furnishings will be free from defects in materials and workmanship. The warranty is in addition to any other warranty required by the Contract Documents.

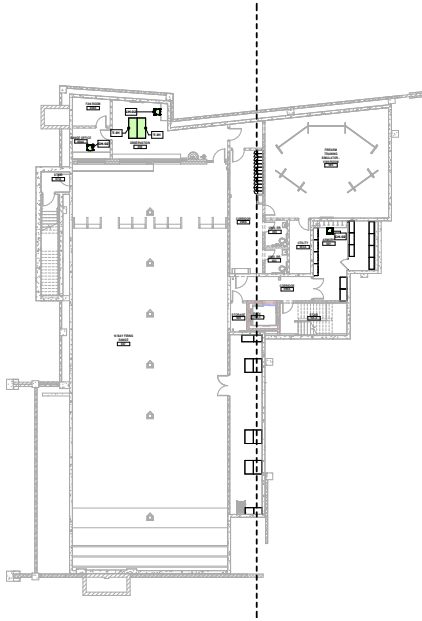

### **XII. RELOCATION RFP**

It should be noted that as of the writing of this RFP the City is also soliciting furniture vendors to build and construct office and lounge furniture throughout the facility. These will be separate contracts unless the City chooses to combine furniture procurement and moving services under one. If discounting is offered for combined services this should be noted in the pricing section of this submission. All qualified vendors will be evaluated and scored independently.
