### Building Schedule Footnotes:

1. Authority to assess fees is contained within City Code Chapter 135. Rates are subject to change. Please note that this fee schedule is intended as a guide for information only. All fees are due when the permit is issued and are non-refundable.
2. Per City Code Section 1312.02, work for which a permit is required and is started, prior to obtaining such permit, the fees shall be doubled. The payment of double fees shall not relieve any persons from fully complying with all applicable requirements.
3. Fees for individual condominiums of a multi-family building of four or more units for alteration permits and for the replacement or alteration of electrical, gas piping, and HVAC systems shall be computed as one, two or three family dwelling fees.
4. The 1% Ohio Board of Building Standards (BBS) fees shall be included for all one, two and three family dwelling permits approved under the Residential Code of Ohio (RCO). These fees are in addition to the base fee provided in this schedule.
5. The 3% Ohio Board of Building Standards (BBS) fees shall be included for all commercial and multi-family buildings of four or more units approved under the Ohio Building Code (OBC). These fees are in addition to the base fee provided in this schedule.
