INSTRUCTIONS

1. Along with this application, the contractor/applicant must submit one electronic copy illustrating the location of work. Permit applications shall be submitted to Grant.Crawford@gahanna.gov.
2. All communications, including approved permits, will be sent by email. Work cannot begin until an approved permit has been issued.
3. Based on the scope of work, inspection fees may be assessed. The contractor/applicant will be notified of fees before permitting approval. Fees must be paid in full before work can begin.
4. By state law, the contractor/applicant must contact the Ohio Utilities Protection Service, OUPS, at least, 48 hours but no more than 10 working days (excluding weekends and legal holidays) before beginning any digging by calling 8-1-1 or (800) 362-2764.
5. All pavement shall be maintained in a safe and passable condition during work. If lane closure is necessary, the contractor/applicant must contact the Dept of Public Service at (614) 342-4005, at least, one business day before lane closures. It is the responsibility of the contractor/applicant to provide traffic control devices and other safety measures as required by the Ohio Manual on Uniform Traffic Control Devices.
6. The ROW permit expires on the proposed end date unless otherwise noted. If the contractor/applicant needs an extension, they must contact the Dept of Public Service at (614) 342-4005 before the proposed end date.
7. It is the responsibility of the contractor/applicant to restore all areas involved in this work to a like or better condition and must abide by the rules and regulations of the City of Gahanna and the State of Ohio.
8. The contractor/applicant shall comply with all provisions of Gahanna Codified Ordinance Chapter 931 and any other applicable code.
9. The contractor/applicant hereby assumes all responsibility for work to be performed and indemnifies the City of Gahanna from any and all liability that may arise, directly or indirectly, from their operations within the public right-of-way.
