

## 2019 Specialty Summer Camp Sessions Details

### BALLY SPORTS GROUP

Bally Sports Group is a youth sports programming company comprised of educators, prospective teachers, coaches, former athletes, and sports management students who have a passion for working with children in connection with sports. Bally Sports Group specializes in providing quality youth sports programs and camps by partnering with community organization and schools to fulfill the youth sports needs within a community. Our curriculum has been carefully crafted by physical education professionals and sports psychologists to make each program developmentally appropriate for multiple age groups and skill levels. Bally Sports strives to emphasize the importance of great sportsmanship by creating an encouraging atmosphere that helps players build self-esteem and encourage future participation!

**Ages:** 6 – 12

**Hours:** 9am – 3pm

**Days:** Mon - Fri

**Location:** High Point Elementary, 700 Venetian Way

**Fee:** Full Day - 6+ weeks: \$125/wk, 3-5 Weeks: \$135/wk, 1-2 Weeks: \$145/wk +\$10 for non res at each bracket

<b>Activity</b>	<b>Date</b>	
24271.202	Jun 10 – 14	Shooting Stars Basketball
24271.203	Jun 17-21	First and Ten Football and Cheerleading
24271.204	Jun 24-28	Foot Skills Soccer
24271.206	Jul 8-12	World Series Baseball and Softball
24271.207	Jul 15-19	Ninja Training Camp
24271.208	Jul 22-26	Learn to Play-Lacrosse and Volleyball
24271.209	Jul 29-Aug 2	Olympics

## JUMP BUNCH

Jump Bunch is committed to providing a non-competitive and fun learning environment – our coaches give constant praise and encouragement to build self-esteem and make sure that each child is proud of his/her accomplishments, no matter how big or small! We introduce a variety of exciting sports and fitness activities each week. With over 70 different sport activities, and a professionally developed curriculum, your child will never get bored. Please dress to be very active and bring a peanut free snack and water bottle each day.

**Ages:** 3 – 8

**Hours:** 9:30am – 11:30am

**Location:** Friendship Park Gazebo

**Fee:** RDR: \$115; NR: \$125

### Superhero Training!

This camp is all about training to be your favorite superhero! To be a super hero means having strength, agility, balance, and speed. We focus on learning special superhero training skills through fun games and activities such as “jumping over hot lava,” “dodging fireballs,” “lightsaber training,” “scooter flying,” “ghostbuster tag,” and so many more! Being a superhero also means having a compassion for society, a kind heart, and a willingness to do good and help others. These are qualities we discuss and talk about with our campers. This camp really encourages campers to be a superhero in everyday life!

**Activity**

**Date**

24261.202

Jun 10 – 14

### Ultimate Obstacle Course

Come test your physical skills at our Ultimate Obstacle Course Camp! Kids will learn to push their limits as our Coaches walk them through several different fitness activities and teach proper techniques to prepare them to tackle several challenging obstacle courses. This camp focuses on helping kids improve their individual skills while also learning to work together in team scenarios as they expand their fitness skills while also building confidence and self-esteem. Come each day prepared to tackle different course challenges because you never know what fun and exciting obstacles we have in store at camp! We will see you on our ultimate obstacle course!

**Activity**

**Date**

24261.207

Jul 15 – 19

### Sporties for Shorties

This camp focuses on teaching different sports each day. Every child will receive their own piece of equipment to practice their skills. Our highly-educated coaches will teach the fundamentals of many different sports, while promoting teamwork and good sportsmanship. Why focus on just one sport when you can learn them all with this one stop camp!

**Activity**

**Date**

24261.210

Aug 5 – 9

## ENGINEERING FOR KIDS

### 1-Day Camps

We will keep them busy with lots of teacher-lead and open exploration STEM projects. Students will be exposed to various engineering disciplines such as aerospace, civil, robotics, and marine through teacher lead projects focused on the Engineering Design Process (Ask, Brainstorm, Design, Build, Test, and Improve). During free time students will have access to activities, crafts, and games which will include short amounts of Minecraft. 1-day camps offer open drop-off and pick-up times between 8am and 5pm. Please pack a non-refrigerated lunch, water bottle and snack.

**Ages:** 6 – 12

**Hours:** 8am – 5pm

**Location:** Clark Hall, 380 Granville St. (Tentative)

**Fee:** RDR: \$65; NR: \$75

Activity	Day	Date
24253.201	Mon	Jul 1
24253.202	Tue	Jul 2
24253.203	Wed	Jul 3

### Junior Robotics

Robots come in a variety of shapes and sizes and are each designed to perform unique tasks. In this camp our youngest engineers will develop a basic understanding of how robots are designed and programmed to be used in the real world every single day. They will then create their very own designs and program their robots to move and perform jobs ranging from lifting simple objects to cleaning up large-scale natural disasters.

**Ages:** 5 – 8

**Hours:** 9am – 12pm

**Days:** Mon - Fri

**Location:** Clark Hall, 380 Granville St. (Tentative)

**Fee:** RDR: \$150; NR: \$160

Activity	Date
24251.202	Jun 10 – 14

### **Game Design: Ninja Attack**

Video games are everywhere and in almost every form you can imagine! In Electronic Game Design: Ninja Attack!, we will create our own version of a Platform game set in a dojo that we will defend from a ninja attack! We will use the Engineering Design Process to create a storyboard to outline the rules of play and characters for our game. Then, we will use Clickteam Fusion 2.5® to bring our storyboard to life with programming. At the end of the class, everyone takes home a working Windows compatible game (NOT compatible with Mac).

**Ages:** 9 – 12

**Hours:** 1 – 4pm

**Days:** Mon - Fri

**Location:** Clark Hall, 380 Granville St. (Tentative)

**Fee:** RDR: \$150; NR: \$160

<b>Activity</b>	<b>Date</b>
24252.202	Jun 10 – 14

### **Mechanical Engineering**

The Mechanical Engineering program utilizes the Engineering Design Process to design, create, test, and refine a variety of machines and mechanical systems. Participants learn basics of fluid mechanics, simple machines, and other design and engineering concepts while constructing various machines. Students will have an opportunity to explore projects such as marble runs, illuminated book marks, catapults, ant-droids and more!

**Ages:** 8 – 12

**Hours:** 9am – 12pm

**Days:** Mon - Fri

**Location:** Clark Hall, 380 Granville St. (Tentative)

**Fee:** RDR: \$150; NR: \$160

<b>Activity</b>	<b>Date</b>
24252.209	Jul 29 – Aug 2

### **Junior Twisted Fairy Tales**

Ever wonder how we got to the Happily Ever After in traditional fairy tales? Students will explore a few fairy tales from different points of view and engage in activities to investigate solutions for each fairy tale's obstacles. In the Twisted Fairy Tales Program, we will design a getaway vehicle for the heroine from Kate and the Beanstalk, help The Three Billy Goats Fluff devise a method to cross the bridge quietly and not wake the Troll, and construct an edible reef entirely from candy to protect The Three Little Fish from the Big Bad Shark! Join us as we explore the Engineering of Fairy Tales!

**Ages:** 4 – 7

**Hours:** 1:30 – 4pm

**Days:** Mon - Fri

**Location:** Clark Hall, 380 Granville St. (Tentative)

**Fee:** RDR: \$125; NR: \$135

<b>Activity</b>	<b>Date</b>
24251.209	Jul 29 – Aug 2

## LITTLE MEDICAL SCHOOL® SUMMER CAMP

### Is There a Doctor in the House?

The Little Medical School® offers children the opportunity to learn about medicine, science, and the importance of health in an entertaining, exciting, and fun way. This camp encourages children to do this as they explore the exciting and inspiring world of medicine. Using interactive demonstrations, crafts, and games, kids learn how the body and organs work, how to use the instruments that real doctors use, and even tie knots like a real surgeon. Children get their own stethoscope that really works! Students will learn all about and make models of the spine, brain, bones and the exciting eye, and much more. At the end of the week, each student will graduate with a diploma from the Little Medical School®.

**Ages:** 5 – 12

**Hours:** 9am – 4pm

**Location:** Clark Hall, 380 Granville St. (TBD)

**Fee:** RDR: \$350; NR: \$360

<b>Activity</b>	<b>Date</b>
24281.202	Jun 10 – 14

## LITTLE VETERINARIAN SCHOOL® SUMMER CAMP

### Healthy Pets are Happy Pets!

This unique program encourages children to role-play and explore the exciting world of Veterinarians as they learn about the importance of proper care and nutrition to keep your dog, cat, and other animals healthy. Using interactive demonstrations, crafts and games, student vets learn how to take care of a pet and use instruments that real veterinarians use, by completing an assessment of their pet, and learning safety rules for being around animals. A preview into the week and topics to be covered, include but are not limited to the following: What to do if a pet gets hurt and how to care for them, discuss what radiographs are and what the light and dark shades are on a radiograph, and they will learn about pesky parasites and how to treat infected animals. Little Veterinarian School Summer Camp is a fun and hands on class, where kids will receive their very own adopted stuffed animal for the week. Each child will receive a diploma as a graduate of Little Veterinarian School® upon completion of the course.

**Ages:** 5 – 12

**Hours:** 9am – 4pm

**Location:** Clark Hall, 380 Granville St. (Tentative)

**Fee:** RDR: \$350; NR: \$360

<b>Activity</b>	<b>Date</b>
24282.204	Jun 24 – 28
