

GAHANNA PARKS SCAVENGER HUNT

Instructions

1. There are large candy canes placed throughout the parks listed below, and each candy cane has a letter posted on it. Take a walk on the trails and pathways in a park to search for the candy canes.
2. The candy canes will be out in the parks from November 27th through December 31st.
3. Find all the letters in one park, and then unscramble the letters to figure out what the hidden word is for that park.
4. If you find the hidden words for all the parks, you can use the letters inside the boxes to unscramble the final hidden word puzzle.
5. If you complete the final hidden word puzzle, you can turn the form in to receive a Parks and Recreation Prize Bag (**while supplies last**)! Once completed, email a picture of the clues to parksandrec@gahanna.gov to find out if you've won and for collection details!
