I also understand that if corrections in the debit amount are necessary, it may involve an adjustment (credit or debit) to my account.

I have the right to stop payment of a debit entry by notifying my financial institution before the account is charged. If an erroneous debit entry is charged against my account, I have the right to have the amount of the entry credited to my account by my financial institution, if, within (15) calendar days following the date on which I was sent a statement of account or a written notice of such entry or 45 days after posting, whichever occurs first. I must give my financial institution a written notice identifying the entry, stating that it is in error and requesting credit back to my account.

THIS AUTHORIZATION IS NON-NEGOTIABLE AND NON-TRANSFERABLE.
