

Local Waste Frequently Asked Questions

- Will I keep my current recycle cart?
 - Yes, you will keep your same recycling cart, which is owned by the City of Gahanna.

- If I have additional trash beyond what the new cart can hold, can I use other containers?
 - Yes, yard waste and trash will remain unlimited.

- Can I set out bulk items?
 - Yes, bulk items will still be collected, using the same guidelines as before.

- Will home remodeling and demolition debris be collected?
 - This will be limited to minor home repair projects.

- What if my trash container is damaged?
 - If your container is damaged and needs repaired, please call Local Waste at **614-409-9375**. Local waste owns and repairs the containers.

- Do I have to keep the 95-gallon cart, or is a smaller cart an option?
 - We highly encourage you to keep the 95-gallon cart provided by Local Waste at no charge. If you do not wish to receive your complementary cart, please go online to www.localwasteservices.com, click on "Services" under the Residential section then "Service Request". Provide your name and address with your request to cancel delivery or contact our friendly Customer Service team at **614-409-9375**.

City staff will continue to be the main point of contact for all general inquiries, including billing questions. As always, call 614-342-4440 with any questions or concerns.
