

2018 Hunters Ridge Seahorses Information

COACHES

Aubrey Mokma has been coaching the Hunter's Ridge Swim Team for the past six years. She grew up swimming for the Seahorses. Later, she was a four time letter winner at Gahanna. Currently, she teaches first grade in Whitehall. She can't wait to get the summer underway!

Alli Palguta has been coaching the Hunter's Ridge Swim Team for the past five years. She was a member of the Seahorses for 12 years growing up. Currently, she is a kindergarten teacher in Hilliard. She is so glad to still be a member of the team as a coach!

Hannah Zeltman will be a senior studying middle childhood education at Ohio Dominican University. She swam on the Seahorses Swim Team for 13 years and then was a four year letter winner at Gahanna. She is so excited for the upcoming season and can't wait to meet all the swimmers!

Samantha Meanor is a third year student at Ohio State studying Anthropology. She has been swimming her whole life. She started at her local YMCA and then swam for her high school. She believes that swimming is a great way to build long-lasting friendships and is very excited for the upcoming season!

VOLUNTEERING

Volunteering is essential for our team to operate and we ask that each family volunteer throughout the season. To help make sure that every family meets the volunteer requirement we ask for a \$50.00 DEPOSIT that will be refunded at the end of the season if parent volunteer time is met. The volunteer minimum is 3 shifts per family in the 2018 swim season, NO exceptions. There will be more details and sign ups coming soon. Thank you in advance for all of your help, we couldn't do it without you!

½ shift=working half of a meet (roughly events 1-35 or 36-70)

1 shift=working one whole meet (events 1-70)

There will be plenty of opportunities to meet the volunteer requirements. Along with our 5 meets, the prelims and championship meets can also count toward your 3 shifts.

You will need 3 shifts to complete your volunteer requirement. If you choose to not volunteer, your child will not be able to participate in any Team functions or competitions.

All volunteer opportunities will be managed through Sign Up Genius. You will receive an email invitation to sign up for shifts. Signup Genius will remind you two days in advance of the volunteer opportunity that you signed up for. If you need to change or cancel your signup, you can do it through Sign Up Genius.

Concession Stand

We have a concession stand at all home meets during the season. This is our only fundraiser for the end of the year party. Opportunities to bring items for the concessions stand will also be available on Sign Up Genius. **THIS WILL NOT COUNT TOWARD THE THREE SHIFTS THAT ARE REQUIRED.**

Swim Meet Volunteer Job Summary

Lane Timer: Starts a stop watch at an assigned lane upon hearing a horn or seeing a flash of light at the beginning of each race. Stops the watch when the swimmer touches the wall and then records the time on the time card for that swimmer.

Back-up Timer: Has a stop watch and starts the watch at the beginning of each race. This watch will be used in case a line timer misses the start or the watch malfunctions.

Score Keeper: Uses a computer, supplied by the coaches, to input the swimmers times after each event during the meet.

Stroke and Turn Judge: This job has a prerequisite of attending a training session prior to the meet and watching a current stroke and turn judge during one meet. The stroke and turn judge ensures that swimmers are performing the strokes legally and that there are no false starts during relays. The stroke and turn judge can disqualify a swimmer from a race if necessary.

Announcer: Notifies swimmers that the event is about to begin, what the race is, the distance of the race, and the age group. Then, the announcer will signal the start of the race by using a horn or whistle.

Lane Runner: Moves about the swim meet collecting time cards from the timers to give to the scorekeeper.

Bull Pen Coordinator: This person is responsible for getting the swimmers organized for each event. The bull pen coordinator organizes swimmers by event and lane using the cards that are provided by the coaches.

Concession Stand Coordinator: This person is responsible for organizing the concessions stand for all home meets. This involves organizing the food and baked goods, setting up and tearing down the tent, and cleaning up all trash and leftovers after the meet is over.

Concession Stand Workers: These people are there to assist the concession stand coordinator with the set-up, tear down and selling of the food at our concession stand during home meets.
